Find Your Perfect Employee at Our Job Fairs!

Throughout the year the Alaska Job Centers, in partnership with businesses and educational institutions throughout Alaska, offer exciting job fairs. As an Alaskan business, you're invited to become part of these opportunities.

Meet Alaskan Graduates and Job Seekers

At our job fairs, your business can set up a booth and interview some of Alaska's finest graduates right on the spot. We offer job fairs open to all employers, and we hold specialized job fairs for specific industry needs throughout the year. Call your local Job Center to make sure you're on the list to receive information.

It's So Easy

Registering for and participating in our job fairs is easy. Reserving a booth is as easy as filling out a simple registration form provided by your Job Center professional. With some exceptions, booth space is available at no cost to you and we often offer free lunches to participating employers.

Showcase Your Business

Our Job Fairs offer you the chance to meet potential employees and showcase your business as a great place to work. If you're a small business, our Job Fairs can be a great place for you to let job seekers know just how much you have to offer. If you're a big business, seasonal employer or an employer needing specialized skills, our job fairs are just the place to find just the right person to join your team.
