Ready for an in-demand career in plumbing? We provide a robust training program that exceeds industry standards. You will work with state of the art equipment to take care of customers' plumbing, drain and sewer needs.

Duties include:

- Clean and repair septic tanks, sewer lines or drains
- May patch walls and partitions of tank, replace damaged drain tile or repair breaks in underground piping

Benefits include:

- 401K
- Life insurance
- We provide company vehicles, tools and the initial uniforms for our employees

For more information: Visit **drainmastersak.com** or contact Blayne Schott, Training and Education, at (907) 344-8838 or **jobs@drainmastersak.com**

A proud partner of the **americanjobcenter** network

We are an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities.
