This comprehensive 32-hour training is designed to equip workers with the knowledge and skills necessary for weatherization renovation work. From essential health and safety practices to hands-on training in various techniques, participants will gain valuable insights into the field. The program also includes insightful tours to a window manufacturing facility and the Cold Climate Housing Research Center, providing a practical understanding of the industry.

Alaska Works Partnership's programs are funded by grants awarded by the Alaska Department of Labor and Workforce Development. The following Alaska Works Programs are 100% State funded: Construction Academies, and STEP Women in the Trades. They are currently: 79%, and 21%, of awarded amounts to AWP. The following programs are Federally funded: WIOA Youth: 17%, ARPA: 21%, AWAY-Youth Apprenticeship: 62%. Equal Opportunity Employer/Program Auxiliary aids and services are available upon request to individuals with disabilities.
