NOW HIRING

Sales Associate (part-time) and Assistant Manager

Sales Associate (#628477) (part-time) — \$11.84

"You recognize yourself when you enter one of our stores. You love to talk about athletic sneakers and apparel as much as you love to collect them. You always scope out the latest styles, and enjoy sharing your enthusiasm with customers. It's easy for you to start up natural, friendly conversations, adapt to different types of customers, and resolve issues with a smile. You like to work as part of a team as you improve your individual skills on the sales floor. Your success in this role will be measured through personal and productivity goals plus your ability to provide a great in-store experience to every customer."

Assistant Manager (#628480) — \$16.34

"You can't think of anywhere else you'd rather be. You enjoy coaching and teaching your team to continually improve how they deliver a great in-store customer experience, and you're now ready to start leading the team with all aspects of the customer experience, including: store operations, training, employee management, visual merchandising, and asset protection. In the absence of the Store Manager, you will assume all managerial duties. Your performance will be measured by your ability to drive sales and maximize profit goals for a specific store."
