

## APPRENTICESHIP

# Apprenticeship opportunity for Delta area residents

The NECA/IBEW Apprenticeship Program has opportunities for Inside Wireman apprenticeships in the Delta area.

Applications must be received by **Tuesday, Nov. 21, 2023.**

Interviews will be held in Fairbanks.

Visit our website to apply: [alaskaelectricalapprenticeship.org](http://alaskaelectricalapprenticeship.org)

The AJEATT will not discriminate against apprenticeship applicants or apprentices based on race, color, religion, national origin, sex (including pregnancy and gender identity), sexual orientation, genetic information, or because they are an individual with a disability or a person 40 years old or older. The AJEATT will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under Title 29 of the Code of Federal Regulations, part 30.

# Notice of Apprenticeship Opportunity

The Alaska Joint Electrical Apprenticeship & Training Trust (AJEATT) is currently accepting applications for apprenticeship in the **Inside Wireman** trade in **Delta**. Applications must be complete by **November 21, 2023** to qualify. All qualifying applicants will be scheduled for an interview.

To meet minimum qualifications for apprenticeship, applicants must:

1. Be a minimum of 18 years of age at time of selection.
2. Have a valid drivers' license.
3. Have a high school diploma or state issued GED certificate.
4. Meet the minimum math requirement through one of the following:
  - a. Two semesters of high school algebra 1 (or higher-level algebra) with a passing grade of 'C' or higher,
  - b. one post high school algebra course with a passing grade,
  - c. a certificate showing completion of the NJATC tech math course, or
  - d. the State of Alaska WorkKeys math test with a '6' or higher.

You must submit **all** of the following items to be considered for an interview:

1. Online application form;
2. Copy of driver's license;
3. Submit your full individual driving record dated within the last 90 days;
4. OFFICIAL transcripts for high school and post high school education and training, including GED records if applicable;
5. Copy of high school diploma or GED certificate (high school transcripts are sufficient if they state that you obtained a diploma);
6. Documentation showing that you meet the minimum math requirement;
7. Pay the \$25 application fee

If you served in the U.S. military within the last 5 years, or if you can document over 2,000 hours of electrical construction experience, different qualifications may apply to you. Contact the AJEATT at (907) 337-9508 for more information.
