

WESTWARD SEAFOODS INC.

WESTERN ALASKA EVACUEE RECRUITMENT: Info Session and Interviews

Recruiting Seafood Processors for 2026 A Season

Job description: WSI production employees process several species of raw seafood products that are delivered from fishing vessels to sell to customers. Processors can be assigned to various positions within the production department including, but not limited to, butchering, sorting, filleting, and case-up. Processors are also required to participate in plant clean-up and other duties as assigned.

APPLY ONLINE:

<https://recruiting2.ultipro.com/WES1015WSEA/JobBoard/233903b4-7e86-45c7-a7dc-4eb71cebcfb3/OpportunityDetail?opportunityId=90c56ad5-dfd4-46c0-a71c-79cbd5ccff44>

Then attend a virtual interview via **GoTo Meeting**. An email from **Calendly.com** will be sent to you, so you can pick a date and time that works for you.

**11:30 A.M. - 1:30 P.M.
MONDAY, NOV. 17, 2025**

**Anchorage Midtown
Job Center, 3301 Eagle
St., Room 104**

Informational session will include a **30- to 45-minute presentation** on Westward Seafoods Inc., their Alaska operations, the seasonal opportunities available for the upcoming A-Season, and what to expect during the season (working and living conditions, pay and benefits, and opportunities for growth within the company). Following the presentation, on-the-spot interviews will be conducted with interested candidates.
