

JOIN THE TSS TEAM

Collection Technician (Juneau/Ketchikan)

TSS has full-time and part-time openings for Drug Screen Collection Technicians. The Drug Screen Collection Technician is the front line ambassador for TSS Inc. When clients enter or call our facilities, we rely on the collection technician to provide the first impression of what our company stands for.

Phlebotomist (Ketchikan)

We are looking for a nationally certified professional who is able to maintain quality control according to clinical laboratory and OSHA standards. The phlebotomist will be expected to: deliver accurate results efficiently and successfully report those results to physicians daily, be aware that they serve as a first point of contact for the company and maintain professionalism according to company standard, have a high level of precision and focus on accuracy, and have the innate ability to put patients "at ease" through effective instruction and a fast, efficient process.

We are a small company of safety specialists dedicated to professionalism, hard work, and exceptional customer service. We value our family of employees, providing all training certifications and opportunities for professional development and advancement. We are a smoke- and drug-free company with zero tolerance for the use of marijuana. Selected candidates are required to pass a complete drug test and background screening before accepting an official job offer.

TO APPLY: Submit resume, cover letter and questions to info@tss-safety.com
