

Alaska Department of Labor
and Workforce Development

Workplace Alaska

NOW HIRING

Employment Security Analyst 3 (PCN 07-5583) in Anchorage

You will be working with a team in the Employment and Training Technical Unit (ETTU) to ensure excellence in Alaska's delivery of employment and training services described in the federal Workforce Innovation and Opportunity Act (WIOA) and other statewide programs, with a primary focus on conducting data validation, monitoring, legislative bill tracking, federal reporting, analyzing data, coordinating Rapid Response, and State Monitor Advocate program delivery.

You will have opportunities to build and use skills in a variety of software including AlaskaJobs, MS Office Suite, SharePoint Online, and other various web and non-web-based applications.
