**ALASKA DEPARTMENT OF LABOR
& WORKFORCE DEVELOPMENT**

North Pacific Seafoods hiring Seasonal Refrigeration Engineer at Pederson Point

QUALIFICATIONS:

- 18 years of age or older
- Authorized to work in the United States
- Prior experience with industrial ammonia refrigeration systems
- Ability to work long hours during peak production periods
- Self-motivated with the ability to work independently and with minimal supervision
- Consistent and reliable attendance is essential
- Familiarity with basic electrical systems and welding is a plus

The Refrigeration Engineer is responsible for maintaining and repairing the facility's industrial ammonia refrigeration systems, including tunnel freezers, blast cell freezers, and flake ice production equipment. This position reports directly to Chief Engineer.
